**REGISTRANT'S RESPONSE TO TTAB ORDER OF  
MARCH 10, 2014 FOR A REPORT OF CIVIL ACTION STATUS**

Sir:

In response to the Order of the United States Patent and Trademark Office Trademark Trial and Appeal Board (TTAB) dated March 10, 2014, seeking a status of the civil action that occasioned the suspension of the within proceedings, Registrant states that the civil action has been provisionally dismissed without prejudice pending the negotiation and execution of a settlement agreement between the parties. Final settlement documentation to allocate the rights with respect to the marks at issue in the TTAB proceeding has not been finalized or finally

approved by the court. If a settlement is reached, Registrant will advise the Board. If a settlement is not reached, then the case will be reinstituted and Registrant will also notify the Board. Accordingly, the stay of this cancellation proceeding should continue.

Dated: April 8, 2014

Respectfully submitted,
